

> **PRODUCTS** > **ALUMINIUM CASES** > **Pilotcase**

Aluminium pilot case from the Topstar series. A perfect blend of function and elegance: the twinlid opens wide to give unobstructed access. The spacious interior can hold two large ring-binders with ample room for other items, the sturdy 23 mm thick half-round frame with integrated corner protectors combines strength with contemporary good design. Other features include combination locks and two interior side pockets.
