

> **PRODUCTS > ALUMINIUM CASES > TravelCase**

Elegant case for the big and small luggage made of two massive on-piece aluminium shells and telescopic handle with trolley.

The **TravelCase 400** offers still somewhat more place and is often used in sales force. Everything is packed in a compact way.

Especial: The inserted lockers.

- two massive on-piece aluminium shells
- enforced chrome edges
- telescopic handle with trolley (wheels)

options:

- individual interior available
