The Maxibag is always in top form because of its attractive design.  
The special lockersystem is integrated in the handhold zone and rounds the image.  
The surface is especially suited for imprinting and thereby it offers a lot of possibilities for your commercial.

- Single walled injection moulded plastic case
- Material PP
- Attractive and handy case with approved clip-lock and integrated handhold
- Clear form with matt structure-surface
- Optimized space utilisation by rectangular inner tray
- Extreme durability by highclass integral hinges

**options:**

- Case and locks in special colours
- Translucent version available
