A very solid case with intergrated handhold and established hinge clip-locks. By the mat fine-structure surface it is especially adapted for imprinting. The Minibag is ideal for promotional use to enhance a professional image and make your product stand out from the rest.

- Material PP
- Single walled Injection-moulded plastic-case

**options:**

- Translucent version available
- Conductible cases ESD
- Minibag 4 with squeegee
