

➤ **PRODUCTS** ➤ **PLASTIC CASES** ➤ **Injection moulded** ➤ **Xtrabag**

A case for high requirements. A modern case of the extra class - representatively and variously applicable.

With an individually adapted foam insert or with a thermo formed plastic insert this case is perfect for the transport of sensitive devices as well as for the presentation and packing of innovative products.

- . Clip-catches, base and lid in different colours
- . Printing possible on both sides
- . Embossed lettering or logo
- . Ergonomic handle for extra comfort
- . transparent lid
- . With a choice of optional fittings
